MAKING ENTRIES

These are important and perplexing days for owners of good race horses. The Coney Island, Brooklyn, California, Louisville, Memphis, Brighton Beach and Little Rock Jockey Clubs and the Western Turf Association are all in the field with offerings of rich and important stakes that will involve the distribution of an enormous aggregate of money among the owners who will prove fortunate enough to capture them. It is no slight task to enter a horse to the best advantage, and it is one in which owners and breeders make sad mistakes. It is now easy to perceive how costly, in all probability, was the oversight that left the dam of Mesmerist out of the Futurity of last year. The case is not isolated. It has often occurred that the best two-year-olds and three-year-olds have not been eligible to great stakes that would have been at their mercy had not their breeders or owners been afraid to take the chances involved in entering them.

To breeders the task of making entries does not require so much thought as falls to owners of racing stables. They sell their yearlings in the expectation that it will devolve upon the purchasers to enter them in such stakes as they may select. But with the breeders it rests to make the great Produce Stakes the features of each racing season that the jockey clubs offering them wish them to be. Such stakes as the California Futurity, The Coney Island Futurity, The Produce Stake at Tanforan, The Matron Stakes, etc., are made or marred by the breeders. When it is considered that the breeder can enter a broodmare in all of the three great stakes first named for the trivial sum of \$25 it would seem to be the height of business wisdom for him to enter all of his mares for the obvious reason that his expenditure is sure to be recouped with heavy interest because of the fact that his yearlings will be eligible to those great prizes of the American turf. Certainly breeders will be blind to their own interests if they fail to make the two newly devised California produce stakes the great successes their liberal terms call for.

WASHINGTON PARK OFFICIALS.

The annual meeting of the Washington Park Club was held at the Wellington Hotel last night. Mr. Charles D. Hamill was elected president to succeed the late George Henry Wheeler. No better selection for this important and honorable distinction could have been made. Mr. Hamill has long been prominent in the direction of the affairs of the club and has always taken active interest in its racing department. A courteous, popular gentleman Mr. Hamill will be sure to worthily discharge the duties that have fallen to him. Mr. D. M. Cummings was elected fourth vice-president in succession to George E. P. Dodge, who succeeds Mr. Hamill as third vice-president. The official roster of the Washington Park Club is now as follows:

President—Charles D. Hamill.
First Vice-President—Samuel W. Allerton.
Second Vice-President—Henry J. MacFarland.
Third Vice-President—George E. P. Dodge.
Fourth Vice-President—D. Mark Cummings.
Treasurer—John R. Walsh.
Secretary—James Howard, 61st and South Park Avenue.

Racing Stewards—D. Mark Cummings, Gustavus A. Schwartz, Frank S. Gorton, John Dupee, Charles J. Barnes.
Executive Committee—Charles D. Hamill, Samuel W. Allerton, Henry J. MacFarland, George E. P. Dodge, D. M. Cummings, John R. Walsh, John Dupee, Frank S. Gorton, Robert W. Rolson, Albert S. Gage, Gustavus A. Schwartz, Lawrence A. Young, J. Henry Norton. The first six are ex-officio members.

CALIFORNIA RACING.

Discussing various points of interest marking racing over the San Francisco tracks, last Monday's San Francisco Chronicle says:

"There have been many inquiries in regard to the California Derby and other stake events usually given every spring by the Pacific Coast Jockey Club. The delay in announcing stake events has been due to the uncertainty in regard to the opening of Ingleside, but the matter will be decided one way or the other early in January. Secretary Fred Green stated that he was confident the new Board of Supervisors would permit the reopening of the Ingleside track upon the representations that are to be made by the Pacific Coast Jockey Club. It is known, however, that in the event of a refusal, the Western Turf Association will lease Tanforan Park to the Pacific Coast Jockey Club so as to enable that association to run off any stake events it may announce. Fred Green, the secretary of both the Western Turf Association and the Pacific Coast Jockey Club, is authority for the above statement.

"The past fortnight's racing at Tanforan Park was highly successful, despite the inclement weather. Horses ran bang up to form, and the betting public came out ahead in its encounter with the bookmakers, many of whom lost heavily. Fred Peck, it is reported, won \$10,000. He won \$3,200 one day, but that was the only winning day in eleven.

"Alex Shields, who first tackled the coast game with Logan, the hero of scores of hard-fought races, was next to invincible with his stable, and he must have cleaned up \$12,000 or \$15,000 the past seven days in purses, stakes and wagers. From December 9 to 16 he won seven out of eight starts with Topmast, King Carnival, Advance Guard and Zoraster. With two exceptions he managed to get from 2 to 1 to 4 to 1 against legitimate even-money chances. The purses and stakes won by the Shields stable in the past seven days aggregate \$4,650, which amply demonstrates the possibilities of the game in California.

"The big stable of Burns & Waterhouse is meeting with very poor success at present. One after another the best horses have become hors de combat, and their colors are not to be seen at the post with the frequency customary in past seasons. The California firm has been a generous patron of the turf. It has never hesitated to pay good prices for horses, and its bad luck is regretted by all sportsmen. It must also prove a source of chagrin to be beaten by some of those old cast-offs, which has been the case several times this season. Among the horses that Burns & Waterhouse let go are such frequent winners as Malay, Syberis, Montgomery, Lothian, Prince Bleazes and Osric II.

"There are fully 1,200 race horses in training in California. Five hundred and fifty have already figured on the program since the meeting began, and there are fully 350 that have not been started. Add to this number the coming two-year-olds and it will bring the total very close to 1,200."

GOSSIP OF THE TURF.

The Coney Island Jockey Club advertises a splendid list of stakes in this issue of DAILY RACING FORM, including the Suburban and The Futurity. The Coney Island Jockey Club is easily the foremost racing organization of America and its stake events are devised with such skill and sagacity as to make them the model and envy of the other racing clubs of the country. The group of stakes here proffered are familiar in name and terms to the owners of the country because of having, in the main, been long established. Some alterations in the conditions of the Futurity will attract attention. These stakes are commended to the careful consideration and liberal patronage of owners at large and DAILY RACING FORM will be pleased to furnish entry blanks on application.

Hays came from eighth place in the stretch and finished strongly. Hipponax may have been best. He was fifteenth at the three-quarters and made up much ground. Billy Moore quit, as did also Vantine and Upper Crust.

Post 5 minutes. Start poor. Won easily; second handily. F. W. Brode recovered form suddenly and was much the best. Gundava finished resolutely and was gaining at the close. Giro ran a game race but had a stormy journey. Devereaux was speedy but short, and closed win soon in such company. Galena showed fine speed but tired under the big weight.

Post 5 minutes. Start good. Won handily. The next two were driving to the limit. Tirade is in good shape, was much the best and went the shortest way around. Stuttgart ran well under good riding. Monda was second best but Henry was outdriven by Spencer. Lady Britannic, Mainstay and Synia showed speed. Meadow Lark ran well.

Winner—B. c. by Brutus—Constellation.
Post 2 minutes. Start good. Won easily; second driving. Constellation was clearly the best and was none too well ridden. Bogus Bill did well for six furlongs. Ailenna was bumped and thrown out of her stride, but for which she would have been near Constellation at the finish. Faunette was poorly ridden and rushed too quickly to the front. My Gypsy seems to have gone back and ran poorly.

GOSSIP OF THE TURF.

A special from New Orleans to the Enquirer
of yesterday says: "Pat Cleburne, the gray
gelding in the stable of Mose Jacobson, died at
the track this morning. The horse, after win-
ning one day a couple of weeks ago, was tubbed
in ice by a stable hand, and Mose had to have a
couple of veterinarians with him all night
to save him. He apparently had fully re-
covered from his sickness at that time, but

suffered a relapse early this morning, which
resulted in his death. J. J. McCafferty today
bought from O. G. Parke for J. W. Colt the
horses Trebor and Bill Jackman. Mr. McCaf-
ferty will run them here for a few weeks and
then ship them with Chancery to their owner
at Genesee Valley. Mr. Colt has bought the
trio with the intention of racing them over
the jumps."

Marcus Daly has been very ill all the fall and
has been confined to his hotel in New York for
many weeks under the care of medical special-
ists. Absolute rest from the tremendous busi-
ness responsibilities that this brusque miner
millionaire has been carrying has been insisted
upon by these doctors, and Mr. Daly has finally
decided to take their advice, a course rendered
more easy by the fact that he has recently dis-
posed of a portion of his vast mining interests
to an English syndicate. He proposes, there-
fore, to find his recreation this season in racing
his horses about the tracks around New York.
At one time he had proposed to go to England
and try conclusions with the horses there, but
this project has now been abandoned.

Post 3 minutes. Start bad. Won easily; the next two were driving hard. Sly is in fine form
and ran a good race. Tiburon did his best. Panamint was last off of those that got away,
and might have given Sly a warm argument with an even break. His race was remarkably good.
Amasa had enough a furlong from home. Jael was about the only one that did not pull up at

ANNUAL MEETING, 1899.

OFFICERS FOR ENSUING YEAR.

W. F. SCHULTE, President.
Address, Louisville, Ky.
JAMES HOWARD, Vice-President.
Address, Chicago, Ill.
O. L. BRADLEY, Treasurer.
Address, Lexington, Ky.
E. C. HOPPER, Secretary.
Address, Covington, Ky.
J. B. DILLON, Assistant Secretary.
New member elected—The Western Turf Association of South San Francisco, Cal.
By-Law XVI changed so as to provide for an assistant secretary.

By-Law XIX changed by adding the words "through the secretary" after the word "Congress" in seventh line.

Rule No. 6 was stricken out.

Rule No. 17 was changed to read as follows: The colors selected by owners must be registered with the Secretary of the Congress and when thus registered shall not be used by others except in case of death or after five years' withdrawal from the turf. Any owner racing in colors not registered shall be fined. A fee of \$1.00 shall be charged for registering and the Secretary shall issue a certificate of registration. In case of conflicting claims those now registered with the Secretary shall have prior claim.

A list of colors that have been registered shall be furnished each member by the Secretary of the Congress and shall be posted in the office of the Clerk of the Scales.

Rule 18—Every person or horse expelled or ruled off by any reputable running association, or by the American or the National Trotting Association, shall stand ruled off the courses of the members of this Congress during the continuance of such expulsion. Any Association that shall knowingly allow any ruled-off or expelled person or horse to participate in its racing shall be outlawed.

Rule 27—Any owner, trainer, jockey or horse, that shall in any way participate in racing under injunction proceedings, or any owner, trainer or jockey that shall attempt to nullify by legal process the rulings of officials in case of fraud shall be barred from all privileges of the tracks of this Congress. This rule to take effect from date of passage.

Rule 95—Declarations in purse races must be made by the owner, trainer or other person deputed by him, to the Secretary or his assistant by 12 o'clock (noon) of the day of the race, or at such other time as he may appoint.

When a party having more than one horse entered in a purse, shall declare one out, he thereby declares all out, but this rule shall not apply to handicaps.

Declarations in purse races must be accompanied by five (5) per cent. of the first money.

In purse races with more than eight entries, owners can declare out to that number free of charge, the right to declare free being determined by lot, as occasion may require.

All declaration fees in purse races shall go; 60 per cent. to second horse and 40 per cent. to third horse.

In case one horse distances the field in heat races, all entrance and declaration money must go with the purse.

Rule 105—No jockey, except when riding for his contract employer, shall be weighed out for any race unless there has been deposited for him with the Clerk of the Scales the fee for a losing mount in that race, and the Clerk of the Scales shall keep the accounts for the jockeys, pay over to them the money collected, unless he has notice to the contrary, and for his services shall receive two per cent. of the amount collected. The failure to deposit this fee for the jockey engaged for any horse shall declare it out of the race.

Rule 157—Stricken out.

Rule 160—In selling races the horse's engagements are included if the horse is bought claimed.

Rule 172—Owners and trainers employing riders, grooms or attendants shall make their contracts in writing, properly signed and witnessed, whenever the time covered by the contract exceeds thirty days. Any person who shall entice or attempt to entice away from an employer, a rider, groom or attendant who is under contract, may be fined or ruled off. No contract shall be binding under these rules, the provisions of which give an employer any interest whatever in the earnings of a jockey, and the License Committee shall grant no license to jockeys bound by such contracts. Any employer or jockey misrepresenting the terms of any contract shall be ruled off.

In the absence of written agreement the engagement of a jockey, groom or attendant terminates with the last day of each month. If a jockey, groom or attendant be prevented from riding or service by suspension for fraudulent practices or other misconduct, any person who has retained or employed him may cancel the contract or retainer. In like cases, if any owner or trainer be prevented from running or training by suspension for fraudulent practices or other misconduct, the rider, groom or attendant may cancel the contract or retainer.

Rule 176—Jockey fee is fixed at \$25.

Rule 178—If a jockey engaged for a certain race, or for a specified time, refuses to fulfill an engagement, the Judges shall fine or suspend him.

Rule 19—Steeplechases stricken out. It is a duplicate.

The following new Rule was adopted: No person against whom there are outstanding forfeit orders or other arrears issued by members of the Congress shall receive a trainer's or jockey's license until the same are paid.

The following new Rule was passed: Any person who shall enter or run a horse or allow a horse to be entered in a selling race while any claim is held against such horse, either as a bill of sale, chattel mortgage or lien of any nature, by anyone, without making the fact known at the time of entry shall be considered guilty of fraud and shall immediately be ruled off by the Judges, and any and all persons claiming title or ownership of any horse after such horse has run in the name of another person, having peaceable and undisturbed possession of same, shall be considered guilty of fraud and be ruled off by the operation of this rule. This rule to take effect immediately.

Messrs. Tarlton, Fowler and Hopper were appointed committee to edit rules.

The name of the Chicago Racing Association was changed on the records to the Chicago Jockey Club.

L. D. Hall, James Arthur and J. R. Hand, who participated in racing at Woodstock, Ill., run contrary to American Racing Rules, were reinstated. The horses, Barrier and Ramona, were refused reinstatement.

The mare Maxine, formerly Fleur de Lis, whose name was changed East to conform to their registration rule, was permitted to run under the name of Maxine on Congress tracks. The following resolution was adopted: Inasmuch as the fund of the Turf Congress has accumulated beyond all possible future necessities, and as the fixed revenues are ample for annual expenses, Resolved, That the Congress appropriate to each of its members the sum of \$1,000, or as much thereof as the different clubs may designate, to which a like amount shall be added by each club, to be known as the Turf Congress Sweepstakes of 1900, and to be run in one or more stakes as each club may provide. Of the sum appropriated one-half shall be paid to the trainers and jockeys of the three placed horses, as follows: Forty per cent., 20 per cent. and 10 per cent. to the trainers of the first, second and third horses respectively, and 15 per cent., 10 per cent. and 5 per cent. respectively to the jockeys riding them. And when any Association shall show to the satisfaction of the Secretary of the Congress that the above stake has been given and that its conditions have been complied with in full, he shall authorize the Treasurer of the Congress to pay over to each one complying the requisite amounts.

The time for forfeiture of membership on account of not giving a meeting within the year was extended to September 1, 1900.

The registration rule was amended so as to conform to the rule governing the Stud Book, except that portion of the Stud Book rule relating to the naming of foals. The old naming rule still stands.

The Committee on Appeals has rendered the following opinions, viz:

"In the case of L. H. Ezell against the Harlem Jockey Club, we are of the opinion that Rule No. 26 was complied with. The rule does not contemplate that the complainant shall, in person, give notice within five days. We hold that he may in person, by an attorney, or other authorized person, give the notice. In what more official way could he give notice than through the Secretary of the Committee on Appeals? Hence the claim of the Harlem Jockey Club that Mr. Ezell could have no standing before the committee is untenable. So far as these papers show the decision of the club that the race was no contest is erroneous, and the purse should be paid to the proper parties."

Stanley Francis and John Krepper, outlaws, were reinstated by the committee.

Mr. Nathanson notifies me that Fred Smith has been suspended for the inconsistent running of the horse Astor, and recommends revocation of his license as trainer.

E. C. HOPPER, Secretary. COVINGTON, Ky., Nov. 6, 1899.

The Lakeside Jockey Club notifies me of the following, viz:

Jockey William Bloss ruled off for fraudulent riding.

E. C. HOPPER, Secretary. COVINGTON, Ky., November 11, 1899.

The California Jockey Club has notified me as follows: Trainer Rich. Williams has been indefinitely suspended and on recommendation his license revoked. Jockey J. Ward same ruling and license revoked.

E. C. HOPPER, Secretary. COVINGTON, Ky., November 11, 1899.

The following persons have been ruled off by the Queen City Jockey Club for breach of the peace in assaulting Dan T. Murray, viz: H. D. Brown, Ted Welker, George Keating and Charles Keating.

E. C. HOPPER, Secretary.

COVINGTON, Ky., November 11, 1899.

The Committee on Appeals of the American Turf Congress has rendered the following decisions in cases appealed from various members of the Turf Congress. The most important case is that affecting jockey Rose and employer W. Clancy. The decision is as follows:

In the controversy between J. J. Smith and W. Clancy over the services of the boy Lee Rose, the committee rendered the following opinion:

"In the case of the jockey Lee Andrew Rose, we are of the opinion that J. J. Smith is legally entitled to his services, and it is ordered that W. Clancy be fined \$100 and relinquish his claim upon the boy; and it is further ordered that the jockey Rose be notified to at once return to the service of J. J. Smith."

At the spring meeting of the Louisville Jockey Club W. Gallagher, part owner of the b. c. Patroon, 4 year-old, by Patron—Madie, entered said horse in a race to be run on May 4th, and after time to declare Gallagher requested the judges, C. F. Price and L. P. Tarlton, to excuse the horse. After an examination of the horse and being fully satisfied that he was not lame, as claimed by Gallagher, the judges ordered Gallagher to start the horse, Gallagher refused to do so and the judges ruled Gallagher and the horse off. The Committee on Appeals sustained the judges.

In the controversy between F. M. Arthur and the Queen City Jockey Club over the payment of entrance fees, the committee decided that the Queen City Jockey Club was entitled to the \$65 held by the Chicago Racing Association.

The case of James Robinson, who was ruled off last winter by the Crescent City Jockey Club, was referred back to said club for action.
